Good morning Diana,

On Oct 19, 2020, our East Valley Yard Sr. ECI Abraham reported that our ECIs surveyed this location and reported -"The ECIs surveyed this and found the structure on the sidewalk, however there are no violations. Also there are no signs of any health hazards either." He continued -" The CARE+ team was there today and ensured the sidewalk remains 36in clear."

For your reference.

Thanks.

Hi Iva,

Can you assist with the request below?

There's a large homeless structure on the sidewalk, it is a public safety problem.

Cahuenga/101 FWY underpass

Please advise.

Thank you so much.

Hi Diana & Leon,

Re: Cahuenga Encampment Under the 101 Fwy

Sorry to bother you again, but would it be possible for CARE or CARE+ to remove this structure at the Cahuenga/101 FWY underpass?

Thanks,
Brad

Brad,

Do you happen to know if CARE+ would remove this structure because it poses a safety risk? Should I reach out to Leon?

Best,
Rachel

Hey Rachel,

I took this photo yesterday on Cahuenga (East side) under the 101 Freeway just north of Franklin Blvd. This "structure" is a little more involved than a tent. It is constructed with building materials. Is this now permitted? It's very hard to answer to our residents who are required to pull permits for any building or home repairs when they can drive by this. This is a public safety problem and the perception is that the city just doesn't care.

What can we do? File a complaint with LADBS?

All the best,
